YOU'RE INVITED TO THE

83rd Annual Awards Ceremony

Located in the Smart Energy Fountain Room

Guest Speaker

Dr. Randall Youngman

Research Fellow, Corning Incorporated

Dr. Randall (Randy) Youngman received his B.S. in Chemistry from Fort Lewis College (Durango, CO) in 1991 and PhD in Physical Chemistry from Indiana University in 1996. Randy's current research interests include structure-property relations in inorganic glasses, nucleation and crystal growth in glass-ceramics, and application of EPR spectroscopy in understanding defects and redox chemistry in glasses.

April 17th, 2024

Reception: 5:30-6:00pm

Dinner Served at 6:00pm

Awards Ceremony starts at 6:40pm

Location: The Fountain Room

Smart Energy Building, Binghamton University

25 Murray Hill Road, Vestal, NY 13850

Parking is available in Lots J3-J4

The dinner will be \$20 per person. A student rate of \$10 per person will apply for high school, undergraduate, or graduate students. Wine and Beer are provided.
